Dear Club,

My boyfriend David and I have been living together for about two years now, and he's a lovely guy. I always thought things were good between us, and we had a very fulfilling relationship... until his brother turned up. Pete had been living abroad, and he had to wait a couple of weeks before he could move into his new place. When David invited him to stay, I assumed Pete would be just like his brother.

I couldn't have been more wrong! Where David is laid back and takes life as it comes, Pete is intense and has this sexual energy about him. It was hard to ignore, especially as Pete's eyes were all over my body from the moment we met.

David didn't seem to notice, not even when Pete teased him about his hot girlfriend. I was a bit pissed off about David's lack of interest, so I snuggled up on the sofa with Pete most evenings while we were watching the telly. Sometimes Pete surreptitiously touched me up, just as though he was kidding around, but after a while my body began to respond.

For a while things went on in a similar vein, with Pete becoming more intimate in his attentions and David ignoring them in his usual good-natured manner. Eventually the inevitable happened, and, one afternoon while David was at work, Pete and I lost control completely and fucked like bunnies. I never intended things to go this far, but, looking back, I don't regret it. I had the afternoon off work and thought it would be a good time to catch up on some cleaning. Pete sat on a kitchen chair watching me as I bent over to empty the washing machine. Unlike David, he made no move to help me, but began to tell me how sexy my arse looked in that position.

Looking over my shoulder, I tried to think of a smart retort, but when I caught his eye and

saw the raw lust there I dropped the laundry and turned towards him. There was no need for words, we both knew what we wanted, and within moments I found myself stripped naked and being carried up to the bedroom. He bit my neck lightly as he carried me, making me shiver with excitement, and when he threw me on my bed and climbed on top of me, my pussy streamed with juice, wordlessly confessing my wanton need to be fucked. He held my hands with my arms stretched above my head and began licking my nipples, teasing them with his tongue until I was wriggling madly and begging him to take me, to fuck me every way possible.

With his body straddling mine, he knelt over me and presented my mouth with his cock. It was not much bigger than David's, but the head was deep red and dripping with pre-come. I licked my lips to moisten them before sucking his member inside my mouth. Pete was not gentle like David, and to be honest I was glad of it. I wanted to feel his raw sexual need as he fucked my mouth, barely giving me time to breathe and almost making me gag as he plunged his stiff cock right to the back of my throat.

I had never felt so alive – or so aroused! Pete provoked a side of me that I had never experienced – and I was loving every moment of it. With a grunt, he pulled out of my mouth, and as my breath came in gasps, he asked

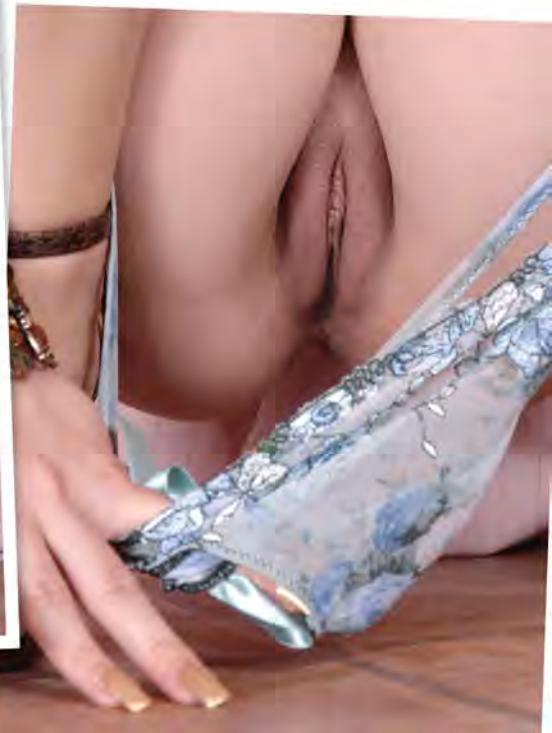

me if anyone had ever taken me up the arse before. The question shook me a little, as I was not used to such coarseness, but the very thought of it made my pussy drip with want.

I muttered no, and Pete laughed as he moved down between my thighs and told me he would pop my anal cherry as a reward if my pussy was any good. I giggled nervously, but all thought of arse sex was blown from my mind as he caught me by the ankles and hiked them high in the air. He entered my pussy hard and fast, slamming into me as he held my legs aloft.

I almost screamed from the intense pleasure he generated as he reamed my pussy, his cock sawing in and out so fast that the friction sent me into paroxysms of sexual delight. I came so hard that my hot juices splashed our thighs as he continued to fuck me. As one orgasm merged into the next I raked his back with my nails and almost lost consciousness as my body was wracked with surging pleasure.

I had never been fucked like this before, and I was addicted. It looked like Pete had barely exerted himself as once again he pulled his unspent cock from my hole. He left me lying in a puddle of my own juices as he grabbed some pillows and piled them into the centre of the bed.

He moved me like a rag doll, face down, arse in the air, over the pillows. Telling me to hold on tight he parted my arse-cheeks and began

licking my bottom crack, sucking my ring and probing it with his tongue. The feeling was so delightful that I forgot what was to come. I relaxed as I enjoyed his oral attention, but quickly became alert once again when he stopped and pushed his hard cock against my thrilling sphincter.

None too gently Pete pushed his cock inside my arse, telling me to try to relax because it would be worth the initial discomfort.

The discomfort gave way to the most unbelievable pleasure. As Peter grasped my hips I willingly drove them back towards him to meet each stroke, and just as another orgasm hit me, he pulled out and came, blasting my crack with his warm jizz.

By the time David got home we were all clean and presentable again, and he didn't suspect anything, bless him. Ever since then I've managed to sample Pete's cock in just about every room in the flat, and now he's moved into his own place we've christened a few of his rooms as well. I know I ought to come clean to David, but I don't want to hurt him. And besides, with the kind of fuckings I've been getting from Peter on offer, I'd be mad to muck things up now!

CARA 

Burrowing bounders! Cara has a full set to nestle in and boy do we wish we could plunge between those pillows of desire. But the too hot to trot Miss Brett, had other ideas on this recent shoot that got her booty bouncing. So we were just happy to frolick afterwards on the black leather bench, where Cara had lay just moments before. Don't worry we are aware that our stalkerish mannerisms leave a lot to be desired, but can you really blame us with Cara on the loose? ♣

Dear Club,
I was practically a mere boy, all fresh faced and full of raging testosterone when I first came across Carolina in an oversized shirt, jacket and tie, and ever since then I've had a bit of a thing for suited women. So as you can imagine business meetings are hell on earth for me and my pecker, which have often resulted in my trouser bulge being noticed and taken advantage of occasionally. But that's a story for another time, for now, I would be ecstatic if you could show Carolina from Club Vol.24 No.5, for old times sake.

VANESSA ♣

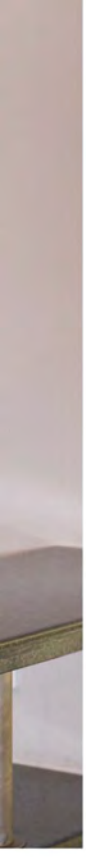

There's a pot of coffee on and bread in the toaster, however, there is also the devilish Vanessa, stretched out along the kitchen counter. This is no ordinary breakfast meeting I think we can safely say. So Vanessa what are your cooking skills like? "I'm a dab hand in the kitchen and love making food for family and friends to enjoy." Excellent, once you're finished in front of the camera you can pop a few rashers in the pan for us then...♣

BFG

DVD £9.99 Blu-ray £15.99

Scrumdiddlyumptious, whizzpopping and snozzcumpers may be terms worthy of a Lewis Carroll poem, but they belong to Roald Dahl's most glorious character, the BFG. Which, this summer received the Spielberg treatment on a scale that left child and adult alike in raptures, in this visually stunning adaptation.

We open on a transitional London; that appears to belong to past and present simultaneously, closing in on the Victorianaesque orphanage where Sophie (Ruby Barnhill) is lonely and wakeful. Before long, Sophie is whisked off to Giant Country by the melancholic BFG, whose expressive sadness is played acutely by Mark Rylance. Together they begin an adventure where the BFG, a tall yet timid creature must learn to stand up to his bullies and Sophie will learn to listen to "the secret whisperings of the world".

Based on the screenplay by the late Melissa Mathison (E.T) that began in the early 90's and with a score by John Williams, the atmospheric guiding of these two components shepherd the audience through emotional sequences, allowing you to rise and fall with the film. A splendid performance of innocence, toughness and energy from Barnhill, who shines throughout and captures the elements of Dahl's Sophie and yet makes them her own. A live action adaptation that applies skin and bones to its characters and any film that can bring the delights of "whizzpopping" after a glug of "froboscottle" to the Queen (Penelope Wilton) is worth watching on DVD.

Star Trek Beyond

DVD £9.99, Blu-ray £14.99

Prepare for a nerd-out, with what can only be described as a space adventure that would have Tim Peake twisting in his space suit. Fans of the original series will be relieved to see familiarities, from the costumes that have closely followed the originals in colour and perspiration nightmare material to the humour that will gently tickle a geeky mind. The plot sits a little too heavily within the framework, and the action sequences seem to put too much emphasis on shouting and asteroids. This is however, good old-fashioned fun and could almost be mistaken for an extended episode of the television series. Simon Pegg and Doug Jung's script appears responsive to the fans criticism of Star Trek Into Darkness and instead plays with the old formula, showing they listened.

Oasis - Supersonic

DVD £9.99, Blu-ray £14.99

From the producers of Amy and Senna, comes an ultimate Brit Pop stage that halo's two brothers from a Manchester council estate, and documents their rise from a new signing band to sold out success in only a few years. This is an explosive and intimate look at a band that constantly had their finger on the self-implode trigger. A collage of home footage, T.V and narrative by the band themselves, this documentary focuses on the formative and golden years of Oasis and ends on the high of the phenomenal 1996 Knebworth concert. Even though Supersonic effectively wiped out the years from 1996-2009, it's hard not to relish this nostalgic insight into music history that would eventually spiral out of control. Charisma at its best and not to be missed.

Club's KIT BAG

Plug and play with yourself...

Amazon
Fire HD 8 Tablet
www.amazon.com

Affordable tolls the bell for Amazon Fire HD, with its target market sitting away from the gadget-obsessed and update fiends that salivate at the latest technology. However, don't think you'll compromise due to the price, this is a savvy piece of kit. This 8-inch tablet looks more rectangular than others on the market and feels its price tag but obliges in doing everything you could want to do with a tablet. It's 9.2mm thick and weighs in at 341g, with the lower end of storage starting off at 16GB with a microSD slot. The camera isn't up to much, and the screen isn't great with only 720p, which does qualify at the lower end of the HD spectrum, but you really can't expect any more. Amazing value for money.

WD My Passport 1TB
www.wdc.com

It's the same old reliable My Passport from storage wizards Western Digital, but it's had a facelift of Michael Jackson proportions. WD have teamed up with Yves Béhar digital product designer to reimagine your WD products by making interconnectivity more personal. From the outside, the new My Passport has a Jekyll and Hyde personality, with a sleek and smooth beginning that half way down gives way to a textured bottom and comes in a range of colours to suit all tastes. There's even been a little bit of tinkering to the drive itself, adding password protection and 256-bit AES hardware encryption for security and automatic backup software that should see you through even the most trying technological meltdowns. A pretty piece of kit that will securely store your precious data as always.

NuForce BE Sport3
www.optoma.co.uk

The world is heading wireless, with Apple ditching the headphone jack on the new iPhone 7's, which we all know will prompt market competitors to do the same. Nothing is safe! So we've been hunting out some all-in-one wireless headphones and ahead of the bunch are the NuForce BE Sport3, with a range of ear tips to fit all shapes and size, and wings to physical activity. They are also IP55 rated, so sweat, rain and dust resistant, so basically gym resistant, with amazing sound isolation and good sound balance. There's also 10 hours of battery life available, which is better than competitors and the price won't make you cry when you buy them. The best we've tested so far!

DNA

Wicked

Starring: Abella Danger, Jessica Drake, Scarlet Red, Chanel Preston, Abigail Mac, Vanessa Veracruz, Asa Akira, Courtney Taylor, Cristi Ann, Eric Masterson, Ryan Driller, Tommy Gunn, Small Hands, and Brad Armstrong.

Synopsis: "Wicked Pictures and Award Winning director Brad Armstrong bring you the futuristic tale of a company with cutting edge technology able to bring back loved ones who've passed away. Eager clients commission the "Carbons" who are then cloned from available DNA samples. The bereaved can now get the closure they've been searching for or feel their lover's touch one last time. The clones are perfect in every way and business is booming. CEO Malcolm Moore (Brad Armstrong) and V.P. Lidia Kline

(Jessica Drake) are elated, but things take a turn for the bizarre when one of the carbons, Kayla (Asa Akira) becomes aware of her former life and realizes Miles Dunn (Small Hands) the man who had her brought back to life is actually her killer. From there it's a game of cat and mouse. DNA is an erotic

thriller packed incredible performances and amazing visuals. This sci-fi masterpiece is sure to please anyone who appreciates Porn with a Plot."

Verdict: With the release of HBO's Westworld and all its futuristic simulations, it couldn't be long before even the porn world dipped its toe into the tricky plots of playing God, or is it the Devil? Well, there's no avoiding that grey area here, as playtime is always a naughty after the dead are brought back to the living. Facials, anal, girl on girl and orgies are some of the viewing pleasures available in the six scenes of DNA, with stunning and intimate visuals that have you watching again and again.

Hot Nights in Prison

Marc Dorcel

Starring: Samantha Jolie, Anna Polina, Kattie Gold, Alexis Crystal, Blanche Bradbury, Neeo, Ridge, Thomas, Kristof Cale, Renato, George Uhl

Synopsis: "Inside this very special prison, there is one simple rule: to have the right to orgasm, you must obey. When this innocent young woman first enters the prison walls she has no idea that she has just penetrated a den of pleasure and vice. The strict Anna Polina, the prison supervisor, rules the prison with a rod of iron and the young woman and her fellow prisoners have no choice but to submit to her every desire. While rich business women come from far away to treat themselves to an expensive night in the company of three virile inmates and

experience for the first time the intense pleasures of double penetration, our heroine will discover everything about the workings of this very special establishment..."

Verdict: In need of a hardcore version of Orange is the New Black, but with more cock involved? Than look no further than this perfectly mastered Prison penetration, that has jumpsuits on the floor rather than on the inmates. The supervisor rules her prison ferociously in a sex enthused manner that puts pleasure at the core, as women clamor

to experience the randy inmates. DP's and pussy licking are the currency behind these bars and Anna Polina is the stern enforcer, who always takes a slice of the pie for herself. Dorcel's Hot Nights in Prison will shed a whole new light on the term jailbait.

SANTA'S STOCKINGS

I love Christmas! Forget all the crap in the shops and the rubbish telly, it's what happens on Christmas Eve that I really look forward to. You see, in our house the season of goodwill has a bit of a twist and, by the time we get around to Crimbo dinner, the wife and I are usually completely knackered.

It started about three years ago when Carole, my missus, decided that instead of just stuffing our faces and drinking too much, we should turn the event into a sexy role-play session that would give both of us a whole bunch of sexy Christmas cheer!

Carole instigated the game by deciding she would become Santa and I would be relegated to the role of Santa's helper, thus allowing her to fulfil her long time desire to play a dominatrix with me as her loyal sex slave. I had no problem with this as, quite often, while we were screwing Carole will take control and order me to do things to her body which I don't mind at all, especially as her commands usually involve sucking her pussy and licking her arse until she comes all over my face.

Carole's Santa costume is the first thing I should tell you about. Apart from a white fur-edged red velvet cape, she dresses up in a one-piece maroon PVC cat suit with convenient holes that allow for easy access, which are also trimmed with fake fur. Her lovely big breasts poke obscenely through strategically placed openings, she wears knee-length spiked patent leather heels and

tops all this off with a Santa hat. I must admit that I drew the line at dressing up as an elf as I'm a bit too large for green tights, but as long as I do everything she orders me to do, Carole doesn't really mind me not wearing a costume.

Last Christmas she left me to drink the bottle of wine we'd opened while she disappeared off to change. I bunged on a porn DVD to get me in the mood and turned off the lights so the room was illuminated by only the ones on the tree. The smut on the telly had the desired effect and my cock was rigid by the time Carole re-entered the lounge.

"Santa doesn't like you watching filth," she growled, positioning herself between me and the screen, her legs slightly parted so that I could see her hairless cunt lips. Placing her hands on her hips in classic panto baddie mode, Carole licked her lips as she leered at my rock hard prick. "On your knees and suck me," she commanded, and I clambered onto the floor before her and wedged my face between her PVC clad thighs. Her pussy was already moist as I wiggled my tongue inside her, relishing the musky taste of her juices.

"Finger my arse, wimp!" Carole said, and I obliged after first lubricating it with the her pussy juices.

Her bumhole is very tight but, thanks to the slippery girl-cum, my finger slid up to the second knuckle with ease as I continued to slurp on her gorgeous twat.

With my other hand I reached up to her tits and grasped a handful of the soft warm flesh. I could feel Carole's legs begin to shake against my cheeks as she neared her first climax, so I pumped my finger in and out of her butt in time with my probing tongue.

My sassy Santa suddenly jerked her crotch hard onto my mouth and love juice gushed down my throat as her whole body convulsed with ecstasy. As the waves of pleasure subsided, Carole pushed me roughly back onto the sofa and grabbed a present from under the tree. "Open it!" she ordered, cupping her breasts as she towered over me. I tore at the paper until I reached the box beneath. I'd already guessed what was inside, but feigned surprise as I pulled a big red, rubber dildo from the ripped packaging. Carole loves her sex toys and I love watching her use them, so I immediately pressed the bulbous end against the entrance to her pussy. "Give it to me!" she said, and

snatched it from my grasp before embedding a good three inches of it inside her love tunnel. "Now, watch and wank!" Carole lifted her leg and rested one stiletto heel on the settee next to my arm as I yanked back my foreskin, staring at the thick latex sex aid pushing in and out of my wife's hole. The fur around her cunt was now matted with her cum as she stuffed the toy deeper and deeper. Fuck, I wanted to cum but knew I had to wait until Santa gave me the nod, which, judging by the way she was jerking herself off, wouldn't be very long.

Carole came again with a yell, dragging the fake cock out of her as she did so, allowing me a great view right inside her sopping slit. I still had my hand clenched around my meat as she straddled my waist and lowered her dripping pussy onto me. Thanks to the dildo her pussy was gaping nicely and I was straight up to my balls in her gooey softness in a second. Carole thrust her ample chest into my face and I sucked as much of her tit into my mouth as I could, groping her PVC covered buttocks as I did so.

"Give me a present," she moaned and lifted her cunt completely clear of my glistening dick before banging back down on me. I sucked her boobs as we fucked and Carole even started to lick her own cum off the dildo as she frantically bounced up and down, which was all I needed to push me over the edge and I exploded inside her, coating the walls of her gash with gallons of hot, sticky spunk.

We collapsed in a heap on the settee, panting and groaning, but not for long. This may be Santa's special night, but it was me who was destined to have an empty sack by morning time!

Lawrence, Aldershot.

XMAS TOY

When my husband, Clive, lost his job, I managed to get some late night shelf stacking work at a supermarket on the outskirts of town. When Christmas time rolled around, money was a bit tight, so I found myself volunteering for as

“Her bumhole is very tight but, thanks to the slippery girl-cum, my finger slid up to the second knuckle.”

much overtime as I could get my hands on. All the other workers seemed to be teenagers while I was heading towards my 30th birthday, but everyone was friendly and, after a while, I began to actually look forward to heading off to the store just as everybody else was leaving the pubs or going to bed. Neil was the friendliest of the lot. He was about 19 and, with his long blonde hair and trim body, he looked like one of those surfing guys you always see on the telly. Even though I loved my husband I couldn't help but fancy Neil and flirted with him at every opportunity. He was obsessed with my bum, which in the tight grey tunic they made me wear actually looked particularly voluptuous. So, I wasn't that surprised when, one evening, he slipped his arm around my waist, pulled me to him and kissed me full on

“...I spread my thighs wider as he pushed the head inside, stretching my cunt lips to their limit.”

the lips.

We were stacking cans of baked beans at the time, but I didn't pull away and opened my mouth so that his warm tongue could push inside, his hands gripping my arse as I succumbed to his advances. "The cameras can see us here," Neil said. "Fancy helping me in the store room?" I didn't need asking twice and followed him through the swing doors into the unheated warehouse behind. He led me into a small storeroom full of vegetable crates and

closed the door. I placed my hand over his crotch, giving his cock and balls a gentle squeeze through his jeans. Even through the material I could feel that Neil's manhood was bigger than any I had played with in a good few years and, as it grew beneath my touch, I knew I would have to have it inside me tonight.

Neil lifted the back of my overalls and began kneading my fleshy buttocks together, sending shivers through my cunt. I unzipped his trousers and groped inside his pants for that prick, wrapping my palm around the stiffening shaft as I eased it free. It carried on growing in my hand until, looking down, I could see at least ten inches of thick solid dick eager for action.

"Please suck me," he whispered, moving his hands from my bum to my bulging chest and flicking open the buttons on my blouse so that he caught sight of my impressive cleavage, wrapped in a black lacy bra, for the very first time.

I manoeuvred him backwards towards a workbench and he perched on the edge, his massive cock jutting out at me, his foreskin fully retracted. God, it looked good and I parted my lips, lowered my head and took his big purple knob into my mouth.

Neil sighed and ran his fingers through my hair as I slid my mouth further down his shaft, tickling the sides with my tongue and sucking it into me as I did so. It was so big that even with a good two inches in my mouth, I was able to press my cleavage around it and manipulate my nipples at the same time.

Suddenly he pushed me away and reversed our positions so that I was now sitting on the edge of the worktop. Lifting my skirt, he yanked aside the damp gusset of my knickers and, without hesitation, drilled a couple of fingers into my moist slit. Fuck, I was horny and sank back onto the cold steel surface as he pushed all the way inside, grinding around in my twat while mauling one fat breast with his other hand. I lifted my legs to allow him better access to my pussy and he rewarded me with another finger and then another.

Fucking hell, here I was on my back with someone I hardly knew sticking four fingers into my cunt and I was loving every fucking second!

I was desperate to cum but wanted to be impaled on that monstrous prick when I did, so I leaned around and grabbed it, pulling it towards my gaping thighs so he got the message. As he eased his fingers from my fanny and positioned himself between my legs, I lifted his juice-smothered hand to my mouth and began to lick my fanny goo from each finger one by one. His dick was at the door and it was time to let him in so I spread my thighs wider as he pushed the head inside, stretching my cunt lips to their limit. Surely, I couldn't take much of his big dick in my tight little love tunnel, I thought, but he knew what he was doing and moved in and out gently, pushing deeper each time until I was completely stuffed full of his lovely prick.

"Now fuck me hard!" I moaned and grasped a boob with each hand so that I could hasten my climax by rubbing and pinching my nipples. Neil pulled his dick nearly clear of my pulsing twat before sliding it back, his balls slapping the entrance as he buried it up me and I came over his pumping cock. As the orgasm faded I dragged Neil's

monster tool from my engorged pussy, squatted on the floor and sucked the hard cum-soaked tip into my mouth while squeezing his heavy balls in my hand. Neil couldn't stifle his yell as the thick white spunk fired out of his knob and straight onto my tongue. I teased it around my lips, as the second squirt of seed splashed my chin, stringing down in slow motion to my tits as the third hit the back of my throat. More cum splattered over my face and it seemed that my virile young lover would never stop unloading his cream as he continued to empty his balls all over me. Finally he finished and I swirled his spunk around my mouth letting it ooze out over my lower lip as I looked him straight in the eye. I licked his dick clean and swallowed as much of his cum as I could wipe from my chin, cheeks and boobs before we tidied ourselves up and made our way back.

That was the only time I fooled around at work with Neil – well, I am a married woman – but it was definitely one of the best presents I got that year!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

DYKE THE HALLS

For some time Emma had wanted me to visit her in her new home in the country. Emma and I have been friends and sometime-lovers for over three years and I missed her more than I would ever have guessed that I would when she finally moved to Shropshire.

So when my boyfriend told me that he was going to spend Christmas with his family I called her and arranged to visit for Christmas. Pete and I hadn't been getting along that well and, to be honest, I was becoming tired of his selfish lovemaking, which all too often left me unsatisfied and him flat out, snoring.

Emma, on the other hand, has never left me feeling anything but sated, and the thought of her soft lips and warm tongue kept my spirits up as I drove through the foul weather to her new home. Her house was just outside a little village all lit up with Christmas lights, and her house looked very charming and seasonal too.

Hauling my suitcase and a bag full of Christmas presents out of the car, I rang the bell.

Emma opened the door and invited me in

with a soft kiss on my cheek, and I felt my face flush, a tingle of lust spreading through my groin as she helped me with my things. She looked better than ever: long dark brown hair falling over her shoulders, incredibly dark eyes, long shapely legs, and the most perfect bust. If anything, she was growing more attractive with each year. I couldn't keep my eyes off her as she moved along the hall in front of me. I more than simply fancied Emma; though I couldn't forsake cock altogether and live with her, at that moment I knew I truly loved her.

The sitting room was beautifully decorated with a brightly lit Christmas tree, and holly sprigs on the mantelpiece over a crackling log fire. Emma ushered me to the sofa and our thighs lightly touched as she sat beside me and took my hand in hers. I looked at her full red lips and felt my pussy dampen as she moved her face to mine. Our lips slowly pressed together and my eyes closed as my lips parted, willing her tongue to enter my mouth.

Her hands gently held my face as we kissed softly, our passion growing as we snogged furiously, like two teenagers totally unable to control our need.

Emma's hands slipped beneath my blouse, searching until they brushed against my bra cups, and my nipples hardened at her gentle feminine touch.

She pulled me close and our bodies pressed tightly, flattening the soft flesh of our breasts together. My arms snaked around her waist and I hugged her as she kissed me hard and our tongues entwined. Then, pulling her lips away, she whispered softly that she "had to" make love to me or she'd "go mad".

In the glow of the fire she looked so enticing that for the first time since the Christmas holiday had begun I started to feel in a holiday mood. It was a while since I had been with a woman, and the warmth and softness of Emma's body sparked an urgency to make up for all that lost time.

Taking me upstairs to her room, Emma turned to me and our lips met again while she unbuttoned my blouse. Slowly and carefully she undressed me, savouring the feel of my every curve and contour. I gently helped her to unzip her dress and pulled it down from around her soft round shoulders, down past the gentle flair of her hips.

She stood before me in just a pair of black

lace panties and hold-up stockings, and my tongue played over her neck and ears while my hands explored her soft curves. She led me to the bed and pressed me down on it, following me and kneeling between my thighs. As she lowered herself onto me I felt her soft skin pressing against me and inhaled deeply her delicate flowery scent.

Emma began to kiss my face, making me moan as her lips brushed the nape of my neck and then trailed down my body. Kneading my breast flesh, she began to suckle and nibble on my aching hard nipples. Quivering, I held my breath as she took the hard nub between her teeth and bit gently.

My back arched as I felt the first trickle of my love juices dampen my thighs and I lightly caressed her back, my pussy muscles tightening. Sensing my desire growing, her lips moved down, kissing my belly and teasing my

navel with her tongue before settling between my thighs.

With her nose pressed to my mound she eased the wet front of my panties down over my hips and past my feet before holding them to her face. Inhaling my scent, she sucked the gusset in such a lewd manner that it sent the most tremendous shivers of arousal through my body.

Emma held my gaze as she lowered her beautiful face back down to my mound, her glossy lips touching my swollen labia as they oozed with my juices. Spreading my pussy lips with her fingers, her tongue slid along the outermost folds of my moist peach, making my cunt muscles positively clench.

With my breath coming in shallow gulps I entangled my fingers through her hair as her mouth brought me to the very brink of climax. Intent on keeping me on the boil, however, Emma ignored my clit, instead licking deep into my hole and all around my cunt lips, only very occasionally allowing her long tongue to graze against my pulsing nub.

My back arched and my hips bucked, trying desperately to force her tongue to rub my aching clit. Maddeningly, she made me wait before flicking her serpent-like tongue against my super-sensitive love button. The first contact made me yelp, but as she continued lapping, my clit pulsed in waves of tingling sensations, driving me absolutely crazy with desire.

Then, with her tongue still teasing my clit, Emma slowly inserted two fingers into my warm wet pussy. My body quivered as I approached the abyss, but the next occurrence was a shock. As I reached the apex she slipped a finger up my bottom, making my

arse cheeks clench as wave upon wave of shuddering orgasm shook through my body and I experienced the most awesome climax I'd ever had with anyone, male or female.

Determined to make the most of her advantage, Emma pumped her fingers into my two needy holes. Again she ignored my hypersensitive clitoris, and her busy fingers worked to trigger another series of small tremors. My back arched, and my legs went rigid before the final ripple rolled past my toes.

Kissing her way up my exhausted body, Emma pressed her delicious curves on top of me. I kissed her lips, tasting the odd sweetness of my own juices. Now it was her turn to be pleased.

I rolled on top of her and began to explore her sensual body with my mouth and tongue. My mouth moved from one boob to the other, nibbling on her swollen nipples, while my hands caressed the rest of her trembling body.

Lifting her bottom so I could slide her panties past her full hips and down her firm thighs, I urged her to spread her legs and allow me a view of her soft folds. Her

fanny-lips were smooth and shaved and a small mat of fur rested just above her swollen clit. My fingers touched the soft wet flesh and I parted her lips with my fingers and lowered my tongue to taste her sweetness.

Her juices were sweet and tangy as I delved deeper inside her pink slot. Losing myself in the warm comfort of her sex, my lips attached themselves to her glistening labia and my tongue started to stroke her hard little clit, causing her to purr softly. I slipped a finger inside her as she held my head steady, and her hips moved slowly up and down in time with my tongue. Her breathing became laboured as she approached climax and I closed my eyes and enjoyed the feeling of her warm thighs against my cheeks as I lovingly kissed and sucked on her wanton pussy.

She was getting close and began to moan my name and mouth gentle words of encouragement. My tongue slid over her clit as my fingers rhythmically moved in and out of her slippery cunt, and before long she began to shiver and jerk. Then her body tensed abruptly and she yelled out my name.

“Fucking wow,” she added, gasping, as I slithered back up her gorgeous body and lay beside her, nuzzling her neck and listening as the pounding of her heart slowly returned to normal. Kissing her face and lips I thanked her for giving me the best Christmas present of them all.

She smiled, kissed me, and, moving her hands down to my soaking box, inserted a single finger, releasing a sudden gush of juices, which ran down my thighs while her thumb stroked my clit.

Then Emma climbed between my legs and lowered her mouth to my slick folds, sliding a vibrator from her bedside table deep inside me. The tingling between my legs increased while her mouth worked on my clit and I began to climax quickly and repeatedly while her tongue touched gently against my twitching anus. I bucked hard against her face and screamed out in pleasure as one of her fingers penetrated my sphincter. Her tongue kept licking me while her vibrator and fingers pushed me past the point of sanity. The intensity of my climax caused me to almost black out as I climaxed harder than I had ever thought was possible.

I reached up and kissed her lips, my tongue forcing its way past her teeth. Our tongues

danced while our hands explored. Our legs entwined and I could feel my pussy rubbing against her thigh, as we ground together until we both climaxed again.

I lay in her arms and smiled as she drifted off to sleep. “A merry multiple orgasmic Christmas to me!” I thought.

CUM AND GET IT!

There's women you want to take home to meet your mum and others you just want to throw down and fuck the arse off!

It's the same with texting... who needs flirting when you can get straight down to it...telling her exactly what you want to do to hear then hearing back from her that she's sitting with a moist pussy that's ready for your aching cock!

Don't waste any more time...text her now...

GIVE IT TO ME!

SOME FILTHY TEXT MESSAGES, I MEAN!

RIGHT this moment, all across the UK, cock-hungry women of all ages are sitting in their homes waiting for ordinary guys like you to reach out to them for filthy text sex!

Imagine her, one hand on her mobile and the other idly teasing her moist shaven pussy...

We've got 100s of ladies on our books...from 19 to 78 years old and they come (or should I say cum!) in all shapes, sizes and nationalities from all over the UK. The only thing they have in common is that they love cock and

they want to have mobile fun with horny, fun-lovin' guys like you.

If you've never tried sexting then you're in for a treat...and with our automated system it's never been easier. All you have to do is text the trigger word GIVE to the shortcode here and we'll do all the hard work of finding a woman who's looking for the same as you...

If you want a woman from your area or a specific type just add it to your first text message...it's so easy.

ANNISA 

Annisa has a lot to answer for as she unveils a magnificent pair of pillows and with those on the loose, no ones safe. Or maybe it's Annisa who's not, because we just can't keep our hands to ourselves, as the intelligent beauty obviously knows.

"I've got some duck tape in my bag that will tape those hands together nicely." Ooer, could this be a clue as to what Annisa gets up to in her spare time? "You may think whatever you like." Mysterious to the last. ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

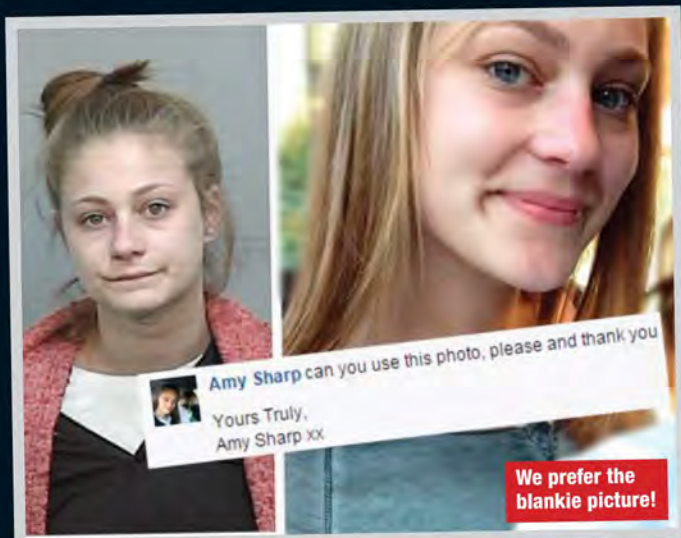

Kicking Up a Stink!

Skunks out, as 4th-grade basketball coach doesn't get the job! 40-year-old, Travis Tarrant was arrest on charges of stalking, animal cruelty and various other misdemeanours. Police revealed that after Tarrant had failed to secure the position as a basketball coach at the local school, he proceeded in a campaign of abuse against his revival, in a bid to get him to resign his position. This included posting dead skunks and a racoon, as well as spray painting the victim's car with the phrase "you will die" and a false accusation of child molestation. The postal service intercepted the rotting parcels and called the police, who arrested Tarrant and is now awaiting trial.

Mirror Mirror!

Vanity is one of the seven deadly sins, and in this case, has helped bring around some good old-fashioned justice. Amy Sharpe was a woman on the run in Australia before her pride got the better of her after attempting to supply a more flattering photograph of herself. After absconding from custody, New South Wales Police put a bulletin out on the low-risk Sharpe and received an unexpected post through the Facebook page, thought to be from Sharpe herself asking if the police picture could be replaced with a more flattering image. The post got more than 60,000 likes and helped towards Sharpe's eventual recapture in a park close to the facility where she was being held.

Bully Dozer!

Love thy neighbour seems to have gone out of the window with this lot after a dispute reached epic proportions in Tennessee. Tipton County deputies received a call from John Higdon, claiming men dressed in camouflage were firing shots in the woods. Higdon told deputies he believed it was men hired by his neighbour Edgar McLellan, but police found no evidence and left the scene. Before long police took another call reporting shots being fired and they arrested Higdon on endangerment charges. While in custody at 2:15 am, another report came in that Higdon's

home was being bulldozed, as it transpired by the 57-year-old McLellan. Both men are out on bond, but the police expect there to be additional charges.
